Central Line Dressing and Cap Changes

<https://www.youtube.com/watch?v=urGROIFAxPM>

This video is meant to be an introduction to proper line care, and is not intended to teach you how to perform the care. While healthcare providers have received training regarding care of a central line, there can be variation from provider to provider, and from setting to setting. For that reason it is important for you to be familiar with the care so you can speak up if you question any unusual practice.

How To Assess a CVAD Video - April 2015

<https://www.youtube.com/watch?v=BdgFEcoX61M>
